About Boogiepop Phantom

From Studio Mad House (NINJA SCROLL / TRIGUN / VAMPIRE HUNTER D), Director Watanabe Takashi (SLAYERS) and writer Sadayuki Murai (PERFECT BLUE) comes a brilliant masterpiece of a psycho-thriller that delves into the darkest reaches of the human condition. Boogiepop Phantom is a mind-bending story combining the stylistic nature of SERIAL EXPERIMENTS LAIN with the episodic nature and dark twisting plotlines of Quentin Tarantino's PULP FICTION.

Five years ago, a string of grisly murders shook the city to its core and now the rumors have begun once more. Boogiepop ... Everyone knows about Boogiepop: meet her one dark night and you are taken. People tell each other the stories and laugh: no one believes that she can possibly exist in this day and age. Still, strange things appear to be going on just and the darkness is taking on many forms. Something is out there. Are you safe?

Ultra Edition Special Features Include:

Line Art Gallery, Producer Notes, Character Notes, Music Videos for the Opening and Closing Songs, Original Fruits Music Video, Original Boogiepop Music Video, Five Original Japanese Promo Trailers, Ongoing English Producer's Commentary, Dolby Digital 5.1 and 2.0 English Audio, Dolby Digital 2.0 Japanese Audio, and English Subtitles.

What they're saying about Boogiepop Phantom:

"A+ Pick. A spooky sepia puzzle." [Sci-Fi Weekly]

"A bit like Bergman taking a stroll through Twin Peaks while holding hands with William Gibson.. On the edge of horror as well as psychodrama, Boogiepop is a creation that stands alone.." [Fantasia Film Festival]

"This anime is a genre-harmonizer: we can't really categorize it as Horror, Science Fiction, or Psychological Drama... This anime is all that in one!" [Protoculture Addicts]
